

# FLX Mini App on Mobile Now Live!

FLX Tech Release: January 2025

**FLX**  
NETWORKS

The latest upgrades to our platform bring your FLX experience on the go, grow your network easily, and track file management for wealth managers.

## Key Features:

### Access FLX on the Go:

The FLX Mini App Beta is now available across all mobile devices and tablets, offering the convenience of accessing FLX on the go. [Login](#) on your preferred device browser (no app download needed) and find the following streamlined features:

- **Launchpad Channels:** Access your two selected channels as distinct tabs.
- **Insights:** Stay informed with curated, data-driven insights.
- **Manager Lens:** Search insights and perspectives from Asset and Wealth Managers.
- **FLX Store:** Explore and order from the FLX Store directly from your mobile device. Find the Store from your dropdown menu.

### Invite Your Colleagues, Friends, and Clients to Join FLX:

Send personalized invitations to your contacts to join FLX. On your desktop, find the invite button on the bottom left of your launchpad; on mobile, find the invitation feature in your dropdown menu (top left).

### Track File Uploads on the Wealth Exchange:

Wealth managers now have access to detailed audit logs for files uploaded to their Asset Manager Relationship portal, offering enhanced transparency and traceability.

Contact us at [product@flxnetworks.com](mailto:product@flxnetworks.com) to schedule a personalized demo and customize your own Launchpad.
