## FLX Networks Announces Managers on Vestmark Manager Marketplace™

Through strategic FLX-Vestmark relationship, managers may access model distribution hub

BERNARDSVILLE, NJ, APRIL 25, 2022 – [FLX Networks](#), the innovative network revolutionizing the engagement experience between asset and wealth managers, is pleased to announce seven of its asset manager members are now leveraging the Vestmark Manager Marketplace™, an open-architecture model distribution platform allowing wealth managers to easily access world-class investment solutions in an easy-to-use model-delivery format.

The FLX asset management firms joining include:

- [Ballast Equity Management](#)
- [Blue Square Asset Management](#)
- [Eagle Global Advisors](#)
- [Matrix Asset Advisors](#)
- [Palisade Capital Management](#)
- [Princeton Capital Management](#)
- [Spouting Rock Asset Management](#)

“We are pleased to see our managers utilizing the resources and relationships we’ve developed to streamline the evolving asset/wealth manager workflows and business interaction,” said FLX CEO Brian Moran. “The Vestmark Manager Marketplace is a connectivity solution in the FLX Network that provides cost savings and efficiency to our members.”

The Vestmark Manager Marketplace is a model distribution platform for asset managers to seamlessly connect to a broad network of distribution firms. For wealth managers, it is a way to streamline the administrative burden of maintaining an open architecture set of model and manager choices. Asset managers efficiently distribute strategies and increase product visibility while wealth managers are able to access and deploy a broad array of strategies without administration burden.

"Boutique asset managers with distinctive strategies have a ready market right now, with today's clients seeking a wider array of sophisticated investments to meet their long-term goals and objectives," said Agnes Hong, Chief Investment Officer and Head of Advisory Services for Vestmark. "We are delighted to be providing managers in the FLX community with an efficient, cost-effective platform to deliver their strategies to wealth management firms and their advisors."
